Harold Weisberg
Route 8
Frederick, Maryland 21701

Dear Harold:

Unfortunately, your letter was lost when it was forwarded to me during the holidays. I would appreciate it if you could send a duplicate of the letter or at least cover the general subject.

I have nothing of significance to report other than the fact that I have still not gotten your ax in the mail. I spent the holidays with my daughter in Indiana and just got back.

I hope you had a nice holiday season.

Sincerely,

Robert K. Brown
